Hello Everyone,

We are back! As you can see we are now able to hold this auction at The Maltings, our normal venue. There are however some changes that we have had to make.

1. Basically there will be limited viewing on auction day, between 8.30am and 10.00am only.
2. Lots 1 to 1004 will belive on the EasyLive and The Saleroom platforms starting at 10.00am. The remaining lots will be sold by a postal auction finishing 21st November at 6.00pm.
3. The Maltings Covid and social distancing rules must be followed.

Please accept our apologies if things do no run smoothly or to time, this is new territory for us and we are still learning.

We are not able to take any room lots, sorry but there will be no time to process or auction them.

I know this is not perfect for everyone but it is the best compromise we could come up with. I would urge as many of you as possible to view in the shop but this must be by appointment only so please ring us to arrange this.

Subject to getting through this satisfactorily then we plan to hold our 2022 Prestige Sale in a similar way.

At present we will be viewing at the 2022 London International show between 19th and 26th February then conducting the auction over 5 days at the last weekend of March and the first weekend of April, the dates are at the back of this catalogue when it comes out hopefully in the New Year. Please not we cannot take any further material for this sale.

For future information regarding the current or Prestige sales, keep checking our website.

Best wishes,
Bob

Bidding

Please bid early

Every month we receive several bid forms after the auction, usually due to late posting.

Please ensure you allow plenty of time when sending in your postal bids. Why not fax, telephone, or email to make sure:

Fax: 01353 664127
Tel: 01353 663919
Email: bobcarr@cpa-ely.co.uk

On auction day we are unable to receive faxes or emails, but can be contacted by telephone on **070 5000 3919**.

Also please ensure you check your bid form - remember you are responsible for your bids - we cannot accept lots back if you have placed a bid on the wrong lot. We are an auction house not an approval company.

Postal Viewing

Due to large demand for viewing by post we have had to limit the facility to single items (stamps or covers) and small easily packaged lots (no collections or accumulations).

All lots must be returned within 24 hours with postage, packing and insurance, both ways being borne by the enquires.

As much information as possible will gladly be given over the phone.

Photocopying and Scanning

We are able to supply photocopies/scans of small lots, but not boxes or collections. Please either call us on 01353 663919 or email us at **scans@cpa-ely.co.uk** with your list of requirements., and when we reply, we will attach the scans to your email. This ensures that we have your correct details.

Unsold Lots

After the auction all the unsold lots will appear on our website www.cpa-ely.co.uk and are available for sale.

Should you wish to purchase any of these lots you can contact us by email at anytime. However, should you wish to contact us by telephone we will only be available to take your call on the Tuesday after the sale from 3pm onwards. The time taken to process the sold lots to our hundreds of postal bidders is quite considerable and therefore we have to refrain in answering our telephone calls until this task is completed.

Lots can be purchased at the reserve as stated on our website. We will confirm to you the price and availability of the lot as soon as possible.

After Auction

We apologise that we are unable to answer telephone calls before 2.00pm on the Tuesday following the auction, or reply to faxes or emails until the following Thursday.

Heavy and bulky collections are sent by DHL. A delivery can normally be organised for a convenient day. You will need to sign for your package.
