Bidding

Please bid early

Every month we receive several bid forms after the auction, usually due to late posting.

Please ensure you allow plenty of time when sending in your postal bids. Why not fax, telephone, or email to make sure:

Fax: 01353 664127

Tel: 01353 663919

Email: bobcarr@cpa-ely.co.uk

On auction day we are unable to receive faxes or emails, but can be contacted by telephone on **070 5000 3919**.

Also please ensure you check your bid form - remember you are responsible for your bids - we cannot accept lots back if you have placed a bid on the wrong lot. We are an auction house not an approval company.

Postal Viewing

Due to large demand for viewing by post we have had to limit the facility to single items (stamps or covers) and small easily packaged lots (no collections or accumulations).

All lots must be returned within 24 hours with postage, packing and insurance, both ways being borne by the enquires.

As much information as possible will gladly be given over the phone.

Photocopying and Scanning

We are able to supply photocopies/scans of small lots, but not boxes or collections.

Please either call us on 01353 663919 or email us at scans@cpa-ely.co.uk with your list of requirements., and when we reply, we will attach the scans to your email. This ensures that we have your correct details.

Unsold Lots

After the auction all the unsold lots will appear on our website www.cpa-ely.co.uk and are available for sale.

Should you wish to purchase any of these lots you can contact us by email or fax at anytime. However, should you wish to contact us by telephone we will only be available to take your call on the Tuesday after the sale from 3pm onwards. The time taken to process the sold lots to our hundreds of postal bidders is quite considerable and therefore we have to refrain in answering our telephone calls until this task is completed.

Lots can be purchased at the reserve as stated on our website. We will confirm to you the price and availability of the lot as soon as possible.

After Auction

We apologise that we are unable to answer telephone calls before 2.00pm on the Tuesday following the auction, or reply to faxes or emails until the following Thursday.

Heavy and bulky collections are sent by DHL. A delivery can normally be organised for a convenient day. You will need to sign for your package.

Hello Everyone,

Well this is not the letter I had intended to write but circumstances have dictated us to massively change our programme for this year. During May we had intended to hold our annual Prestige sale, attend the London 2020 and Salisbury Stamp Shows then look forward to a well earned holiday. None of these we can now do. Our current thinking is to put the Prestige sale on hold until we receive Government guide lines regarding public events with 100+ people. London 2020 has been postponed to 2022 and we have yet to make a decision about that.

In the interim we propose to hold a couple of postal sales, the first at the end of May, the second in the autumn with a date to be decided later following the governments locked down exit plans. We will not be producing paper catalogues but will have the catalogue on our website with a printable pdf link. Bidding can be done via our website, by email, telephone or post, all the information is in the catalogue.

At the same time we are launching our new website. We have tried to simplify manoeuvrability and we will be sending out regular e-shots. Claire and Mandy have put a lot of effort into this and I hope you all like it. I will bring your attention to our Ebay Shop which you can access from the website where Claire has several hundred items for direct sale.

www.ebay.co.uk/cambridgeshirephilatelicauctions

I hope you all keep very safe during this dreadful period, and we send our very best wishes to you all.
