Hello Everyone

First I hope you have all had a good Christmas albeit a somewhat quieter one and may I wish you all a happy and healthy New Year. On behalf of Mandy, Claire and myself can I also thank you for all the many cards and best wishes that we received.

The New Year has not started very well the Coronavirus is proving to be very stubborn and clever and has managed to disrupt our first two sales of the year. Sale 363 is an internet with Easylive Auctions and was to be held in January but due to Ely being in tier 4 we are not allowed viewing so this has now been postponed until the end of February, hopefully Boris will have moved us down to tier 3 by then. Sale 364 (this catalogue) is a postal sale and was due to take place end of February so we have now brought this forward closing Saturday 6th February at midnight. Although annoying the disruption is minimal.

Despite having no public viewing Claire's scanning service will still be operating as will the postal viewing if required plus any help I can give over the telephone.

We have had several enquiries regarding our postponed May sale so perhaps I can bring you the latest information. London 2020 was delayed to February 2022 and hopefully with the vaccination programme completed this exhibition should go ahead as planned. All being well we will hold the auction a couple of weeks after the show. As the year goes on we will be able to finalise dates.

This sale comprises mainly sets and singles and contains many lots from the John Niblett stock. John ceased trading a few months ago and we are fortunate to have been given the chance to sell his stock of British Commonwealth, much of the bulkier and back up stock is in the internet sale 363.

I hope you find something of interest, please let us know if you require and help.

Best wishes

Bob

Bidding

Please bid early

Every month we receive several bid forms after the auction, usually due to late posting.

Please ensure you allow plenty of time when sending in your postal bids. Why not fax, telephone, or email to make sure:

Fax: 01353 664127

Tel: 01353 663919

Email: bobcarr@cpa-ely.co.uk

On auction day we are unable to receive faxes or emails, but can be contacted by telephone on **070 5000 3919**.

Also please ensure you check your bid form - remember you are responsible for your bids - we cannot accept lots back if you have placed a bid on the wrong lot. We are an auction house not an approval company.

Postal Viewing

Due to large demand for viewing by post we have had to limit the facility to single items (stamps or covers) and small easily packaged lots (no collections or accumulations).

All lots must be returned within 24 hours with postage, packing and insurance, both ways being borne by the enquires.

As much information as possible will gladly be given over the phone.

Photocopying and Scanning

We are able to supply photocopies/scans of small lots, but not boxes or collections.

Please either call us on 01353 663919 or email us at **scans@cpa-ely.co.uk** with your list of requirements., and when we reply, we will attach the scans to your email. This ensures that we have your correct details.

Unsold Lots

After the auction all the unsold lots will appear on our website www.cpa-ely.co.uk and are available for sale.

Should you wish to purchase any of these lots you can contact us by email at anytime. However, should you wish to contact us by telephone we will only be available to take your call on the Tuesday after the sale from 3pm onwards. The time taken to process the sold lots to our hundreds of postal bidders is quite considerable and therefore we have to refrain in answering our telephone calls until this task is completed.

Lots can be purchased at the reserve as stated on our website. We will confirm to you the price and availability of the lot as soon as possible.

After Auction

We apologise that we are unable to answer telephone calls before 2.00pm on the Tuesday following the auction, or reply to faxes or emails until the following Thursday.

Heavy and bulky collections are sent by DHL. A delivery can normally be organised for a convenient day. You will need to sign for your package.
