## Hello Everyone,

I hope you have all had a very happy Christmas and New Year.

Well finally the time has come to call it a day and this will be the last CPA Ltd auction. At 74 the lure of more free time to spend with Mandy and the family, a bit more tennis and more holiday time has given me the option I cannot turn down.

The decision is one that took a lot of time to come to. I started CPA in March 1978 so after 45 years of auctioneering it will be a big wrench to stop. I have to say that I have enjoyed almost every moment of it, and consider myself so very lucky to have a hobby that became a profession. Ely was hardly the centre of the philatelic world but hopefully many of you have come to this lovely city and will continue to visit. I still have the results sheets from auction number 1 held in the White Hart pub in the middle of Ely. We had 267 lots with fetched a total of £1955. We have come a long way since then when you consider our March sale realised £1,200,000 with over 6,000 lots.

Putting this sale together took me over 6 months to compile and with the intervention of covid that made it a mammoth task. This was the catalyst for me to call time as it was a sale that I could probably never be able to replicate. Not just the production of the catalogue that was an issue but the time everyone else has to devote to it was immense. Mandy took over a month to type it up and Claire a similar amount of time to scan every lot for the Easylive website.

It is easy to look at figures but to achieve any form of success you must have dedication and put in the hours you also need hard working and honest staff and I have been lucky in securing personnel that have helped the business immensely. Mandy has dedicated 30 years and has been my reliable support for all that period, she has encouraged me to look forward and take the more difficult decisions to progress the business rather than sit back on our laurels. Her retirement like mine comes at the end of April and she well deserves her rest and free time although I suspect work time will be quickly filled.

Claire has been with us for 16 years and has made herself indispensable particularly in the computing, scanning, and Ebay side of the business. It has been marvellous to have someone who can bail me out of simple computer problems, as I am a techno dinosaur. I must also thank Cathy and Graham for all their technical support, and Karen who has loyally only missed 1 auction in 40 years. You cannot ask for more dedication than that. The other area which you need to be strong is your clientele. We are very fortunate in having a very strong mailing list and would like to thank every one of you because without you we would not be in business. Yes it is important to hold on to clients who can spend thousands of pounds with you each month but we have also tried to have the

family approach and encourage those who only spend a small amount each sale.

So what happens now? Well although CPA Ltd will no longer exist at the end of April, I will still be doing a bit of buying and selling. Claire will still be working and she will take a bigger role in the Ebay shop and internet selling. The shop will still be open but only for a few days in the week. We hope to have some private treaty material available but obviously we will not be taking material for auction. Giving up entirely would be very difficult for me, stamps are part of my DNA, so slowing down seems the sensible option. We will be putting out information via the internet – we have your details so watch this space! Our telephone number will remain the same at least for the time being.

Now to the current sale, this is a 2 day auction live on the internet via Easylive auctions. All the lots are illustrated on the Easylive auction website, just follow the CPA link and all can be assessed. Information will be gladly given via email, scans or telephone, just let us know. All the unsold lots hopefully will be on our website after the auction. It now leaves me only to thank you all for giving me such a marvellous career; I have met so many interesting and lovely people many of whom have become personal friends. I will miss you all but hope to remain in contact with many of you. Please continue to enjoy this wonderful hobby and try to encourage the younger generation to start collecting.

Thank you again, I am truly grateful.

**Bob**

# Bidding

## Please bid early

Every month we receive several bid forms after the auction, usually due to late posting.

Please ensure you allow plenty of time when sending in your postal bids. Why not fax, telephone, or email to make sure:

**Fax:** 01353 664127

**Tel:** 01353 663919

**Email:** [bobcarr@cpa-ely.co.uk](mailto:bobcarr@cpa-ely.co.uk)

On auction day we are unable to receive faxes or emails, but can be contacted by telephone on **070 5000 3919**.

Also please ensure you check your bid form - remember you are responsible for your bids - we cannot accept lots back if you have placed a bid on the wrong lot. We are an auction house not an approval company.

## Postal Viewing

Due to large demand for viewing by post we have had to limit the facility to single items (stamps or covers) and small easily packaged lots (no collections or accumulations).

All lots must be returned within 24 hours with postage, packing and insurance, both ways being borne by the enquires.

As much information as possible will gladly be given over the phone.

## Photocopying and Scanning

We are able to supply photocopies/scans of small lots, but not boxes or collections.

Please either call us on 01353 663919 or email us at [scans@cpa-ely.co.uk](mailto:scans@cpa-ely.co.uk) with your list of requirements., and when we reply, we will attach the scans to your email. This ensures that we have your correct details.

## Unsold Lots

After the auction all the unsold lots will appear on our website [www.cpa-ely.co.uk](http://www.cpa-ely.co.uk) and are available for sale.

Should you wish to purchase any of these lots you can contact us by email at anytime. However, should you wish to contact us by telephone we will only be available to take your call on the Tuesday after the sale from 3pm onwards. The time taken to process the sold lots to our hundreds of postal bidders is quite considerable and therefore we have to refrain in answering our telephone calls until this task is completed.

Lots can be purchased at the reserve as stated on our website. We will confirm to you the price and availability of the lot as soon as possible.

## After Auction

We apologise that we are unable to answer telephone calls before 2.00pm on the Tuesday following the auction, or reply to faxes or emails until the following Thursday.

Heavy and bulky collections are sent by DHL. A delivery can normally be organised for a convenient day. You will need to sign for your package.
